

Installation Instructions for the Desk Mate

The Quick Release Mounting Bracket (2597-DM-MB) is used to mount the Hid-Away under shelves, desks or cabinets.

Place Quick Release Mounting Bracket (MBDM) in desired location, mark hole pattern and drill surface to allow 1/4" wood or sheet metal screws (not incl) to securely fasten Mounting Bracket to surface, installing so hooks are to the rear.

Slide Desk Mate onto hooks, fasten thumb screws tight.

Universal Mounting Bracket

Use to install the Desk Mate on top of a flat surface, as an example, the top shelf of a closet or a bookshelf.

Bolt Mounting Bracket in desired location, with formed end facing front using holes in bottom of Bracket. Using Tamper-proof screws fasten Desk Mate to Bracket through holes located on the sides of the Case.
